Hi, Kelly -- We missed you today but enjoyed having Shanta; she's a good rep, too. Thanks for including her. I'll be sending out minutes, etc. w/in the week, hopefully by Fri.  
One question: we want to do a GCPFS day at the Capitol in Jan. or early Feb. Who do I contact to find out what dates are available? I know I need to get on this asap so will check other sources for name/ph.# but would appreciate it if you know & could let me know. Thanks!  
Hope you & the gov had a good/safe trip & all is well w/you all.  
Happy trails!
